General Information

Patient's full name:_____

Patient's date of birth:_____

Nickname:_____

Your relationship to patient:_____

Patient's previous doctor:_____

Current medications

Please include vitamins, supplements and herbs:

_____

_____

Allergies

☐ None

☐ Food:_____

☐ Seasonal:_____

☐ Other:_____

Pregnancy and Delivery

Where was patient born? (State and hospital): _____

_____

Is the patient yours by:

☐ Birth ☐ Adoption

☐ Stepchild ☐ Foster child

☐ Other_____

Pregnancy:

Any medications taken during pregnancy:

☐ None ☐ Prenatal vitamins

☐ Other_____

_____

Please indicate any complications:

☐ None ☐ Group B Strep positive

☐ Preterm labor ☐ Hepatitis B

☐ High blood pressure ☐ Herpes

☐ Gestational diabetes ☐ Preeclampsia/Toxemia

☐ Other_____

_____

Delivery:

☐ Vaginal ☐ Caesarian Section ☐ Breech

Birth weight:_____Birth length:_____

Please indicate any complications:

☐ None ☐ Prolonged delivery

☐ Forceps ☐ Needed oxygen

☐ Jaundice ☐ Phototherapy

☐ Premature & how early?_____

☐ Admitted to NICU & why?_____

_____

Immunizations

Immunizations ****Please bring a copy of your immunization record to your first appointment, or send it by mail or fax with this form.****

☐ Immunizations current

☐ Behind on immunizations & why:_____

_____

☐ Not immunized & why:_____

_____

Family Social History

Patient's parents are:

☐ Married ☐ Separated

☐ Divorced ☐ Unmarried

☐ Domestic partners

☐ Mother is remarried ☐ Father is remarried

☐ Mother is deceased ☐ Father is deceased

If divorced or separated patient lives with whom?

☐ Mother ☐ Father ☐ Joint

Time with each parent:_____

Father's occupation:_____

Father's employer:_____

Mother's occupation:_____

Mother's employer:_____

Who lives at home with patient? (Include parents, siblings, grandparents, etc.)

Name Age Relationship

_____

_____

_____

_____

_____

_____

_____

Past Medical History

☐ Current or previous medical diagnoses:_____

_____

_____

☐ Hospitalizations & why? (Include age or date):___

_____

_____

☐ Surgeries & why? (Include age or date):_____

_____

_____

☐ Injuries, concussions, fractures, stitches, etc:_____

_____

Development:

Sitting upright: ☐ On time ☐ Delayed

Walked alone: ☐ On time ☐ Delayed

First word: ☐ On time ☐ Delayed

Sentences: ☐ On time ☐ Delayed

Toilet trained: ☐ On time ☐ Delayed

Other developmental concerns:_____

_____

_____

Nutrition:

Was your child breastfed? ☐ Yes ☐ No

If yes, for how long?_____

☐ Eats a well balanced diet ☐ Vegetarian

☐ Eats a poorly balanced diet or is "picky"

☐ Good calcium intake ☐ Poor calcium intake

Milk intake:_____ounces/day (8 oz = 1 cup)

Milk type: ☐ Cow's milk ☐ Soy milk

☐ Rice milk ☐ Almond milk

☐ Whole ☐ 2% ☐ 1 % ☐ Skim

☐ Other:_____

Has your child had any unusual dietary or feeding problems? ☐ Yes ☐ No

If yes, please explain:_____

_____

_____

Sleep: Hours per night:_____

Naps per day (Number & length):_____

Where does your child sleep?_____

Any sleep problems?_____

_____

Dental: Is the patient seeing a dentist? ☐ Yes ☐ No

How often?_____

Dentist's name:_____

Dental problems or concerns:_____

_____

Braces? ☐ Yes ☐ No

Orthodontist's name:_____

School or Daycare:

Current school or daycare:_____

Grade level:_____

If daycare, how often?_____

Any concerns about school performance?

☐ Yes ☐ No If yes, please explain:_____

_____

_____

Social Concerns: ☐ None

☐ Family issues ☐ Peer relationships

If yes, please explain:_____

_____

_____

Activities/Exposures/Habits:

☐ Sports:_____

☐ Music:_____ ☐ Scouts:_____

☐ Clubs/Groups:_____

☐ Other exercise:_____

☐ Other activities:_____

Number of hours per week of activities:_____

Number of hours per day of screen time (TV, computers, video games, etc.):_____

Exposure to smoking? ☐ Yes ☐ No

Exposure to guns? ☐ Yes ☐ No

If yes, are they locked up? ☐ Yes ☐ No

Review of All Systems: Please check any current or past medical problems your child has had.

General:

- ☐ Fever
- ☐ Excessive sweating
- ☐ Chills
- ☐ Unexplained weight loss
- ☐ Fatigue
- ☐ Unexplained weight gain

Eyes:

- ☐ Wears glasses
- ☐ Wears contacts
- ☐ Lazy eye(s)
- ☐ Crossed eyes

Ears, Nose & Throat:

- ☐ Hearing loss
- ☐ Frequent ear infections
- ☐ Allergies
- ☐ Frequent runny nose
- ☐ Snoring
- ☐ Frequent bloody nose
- ☐ Frequent sore throats or strep throat
- ☐ Problems with teeth and gums

Respiratory:

- ☐ Asthma
- ☐ Chronic cough
- ☐ RAD or wheezing
- ☐ Chest pain
- ☐ Recurrent croup
- ☐ EIB
- ☐ Shortness of breath with exercise
- ☐ Whooping cough (Pertussis)

Cardiovascular:

- ☐ Heart murmur
- ☐ Heart defect
- ☐ Fainting
- ☐ Arrhythmia
- ☐ Poor endurance compared to peers

Gastrointestinal:

- ☐ Nausea
- ☐ Constipation
- ☐ Chronic diarrhea
- ☐ Unexplained vomiting
- ☐ Blood in stools
- ☐ Frequent stomachaches
- ☐ Jaundice
- ☐ Soiling underwear

Genitourinary:

- ☐ Bed wetting
- ☐ Daytime wetting
- ☐ Frequent urination
- ☐ Pain with urination
- ☐ Blood in urine
- ☐ UTI
- ☐ Urinary reflux

Musculoskeletal:

- ☐ Joint pain
- ☐ Joint swelling
- ☐ Muscle weakness
- ☐ Head injuries
- ☐ Concussions - If so, indicate the #_____
