

## Fifteen Most Commonly Provided Services

In compliance with Colorado Revised Statute: 25-49-103 – Transparency in Health Care Prices Act, listed below are our 15 most commonly provided services, a description, and the charge associated with each.

Please understand that the health care price for any service is an estimate and that the actual charge for the health care services given is dependent on the circumstances at the time those services are rendered.

If you are covered by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for a particular health care service provided by a health care provider at this office. If you are not covered by health insurance, you are strongly encouraged to contact our billing office at 303-779-5437 to discuss payment options prior to receiving a health care service from a health care provider at this office since posted health care prices may not reflect the actual amount of your financial responsibility.

**87880** – Streptococcus, group A. Infectious agent antigen detection by immunoassay with direct optical observation. (rapid strep test) \$30.00
