To go to the SignUpGenius Scan this QR Code with your cell phone camera:

Please review the available slots below and click on the button to sign up.

Helpful tip: If you are viewing this on your phone, click the top right 3 lines and click "full site" for a calendar view

Due to COVID-19 we will NOT be accepting any walk-in's for flu clinic this year. You must use the reservation system. Please have your reservation available (screenshot, email, printed, etc.) at the time of your reservation. Only the individuals listed on the reservation will be able to receive a flu vaccine.

The location is not visible until you click the "Sign Up" button for that date. Please double check the location on your reservation, different dates are set to different locations. For Instance: Pushing the "Sign Up" button takes you to the specific times and locations of the Flu Clinic. Each time slot is 10 minutes in length. The available number per time slot is in parenthesis (10). When you click on the "Sign Up" Box in the time slot you have chosen, you will then need to click the "Submit and Sign Up" button at the bottom. Or you may choose to "Select Other Days" to look for different spots.

On the days of the Flu Vaccine Clinics please follow the below instructions:

Please do not arrive more than 5 minutes early for your time slot. If you arrive more than 10 minutes late you will be asked to come back another time and reserve a separate, future, time slot

We will not be offering FluMist this year.

Everyone at the Flu Clinics must be free of any symptoms of illness. If any symptoms develop, please cancel and/or reschedule your reservation.

Thank you for your patience this flu season as we navigate the changes brought on by the COVID-19 pandemic.
